TOP 11 REASONS TO PARTICIPATE IN GOT2RUN . . . FOR EDUCATION

(So many great reasons that a Top 10 list cannot contain them all!)

11. Edmunds Automobile Price Guide adds 5% to the value of cars sporting a Got2Run 2.62 or 8K sticker or magnet.
10. The Got2Run race course pavement markings are inspired by the great impressionists of our time.
9. Any political signs still found on the course make great personal fans in the event of a heat wave.
8. Running in a hard hat and safety vest makes you eligible to work unpaid at the construction site across from the finish line.
7. Newly designed tech shirts no longer burst into flames without warning!
6. Tired of people yelling at you? Our course marshals are trained to yell FOR you!
5. When was the last time you heard the St. Emily Catholic School Chorus sing the National Anthem?
4. Blue Gatorade isn't just for breakfast anymore!
3. Water table volunteers excel at creating exotic taste sensations consisting entirely of water.
2. Counteract the effect of your metal fillings pulling toward your refrigerator by running the 2.62 mile or 8K course.
1. The Got2Run race course is in its own meteorological zone, making it impossible to predict the weather, which is somehow always perfect for racing!!
