

## AT HOME ART GUIDELINES

Poe school, in conjunction with Art to Remember, is offering a program that transfers your child's personal artwork onto 4" x 4" ceramic tiles for the 50<sup>th</sup> celebration wall. Please create artwork at home using the supplied art paper and these guidelines.

### Our best recommendations:

- Use art paper provided
- Use bright, bold colors
- Fill the entire page with color
- Mediums: markers, tempera paint, water color, oil paint, crayons (*don't use "Construction Gray"*)
- Dates, names and other important details must be at least 1" from the edge of the paper or they may not appear on products
- Photographs must be scanned directly onto provided art paper

### Things to avoid for this project:

- Don't use construction paper
- Don't use photographs, magazine cut-outs or copyrighted images
- Don't write on back of art paper; it may show through unless done lightly in pencil
- Don't use: oil pastels, colored pencil or sketching pencils, fluorescent colors, highlighters, metallics, chalk, 3D materials (e.g., sand, salt, glitter), or "Construction Gray" crayon
- Don't write names or dates on the edge of the art paper as it may be cut off
- Don't add borders
